

WHY TODAY'S YOUNG ADULTS HAVE IT MADE (AND HOW ANYONE CAN FOLLOW THEIR LEAD!)

JOAN POSIVY

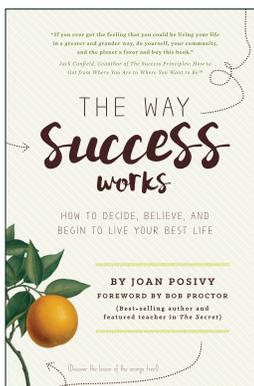

Bestselling Author. Speaker. Entrepreneur. Champion of Youth.

“If anyone understands success, Joan Posivy does...follow her advice to the letter. Know that you are in very good hands.”

— Bob Proctor, featured teacher in *The Secret*, international bestselling author

As a teenager, Joan Posivy discovered a set of principles which showed her how to buy her first house at age 19, become a bank manager by age 22, travel the world, and so much more. Through study and practical application she learned that anyone can live the life of their dreams — they just need to be shown how. Joan reveals this guidance in her new book, ***The Way Success Works***.

Wanting to pay it forward, Joan has shared her message with tens of thousands of people throughout America and overseas. She is wildly passionate about her one mission: to inspire every young adult to be a courageous, confident, goal achiever. **Invite Joan to captivate, energize, and inspire your target audience to live their best life.**

Specifically for *The Way Success Works*, Joan Posivy interviewed successful youth from around the world including an Australian break-dancer turned entrepreneur; a Scottish jam enthusiast, a NY born filmmaker and a big-hearted restaurant owner with Down Syndrome.

“If you ever get the feeling that you could be living your life in a greater and grander way, do yourself, your community, and the planet a favor and buy this book.”

— Jack Canfield, coauthor of *The Success Principles*
